To: Non-Profit Organization
Attention: Financial Office

Subject: Sponsoring your organization

We admire the work so many non-profit organizations are doing and we want to sponsor you.

My company, Abundance & Vitality, along with our partners have a program to sponsor non profit organizations such as yours. We want to offer you the opportunity for your organization to benefit from our sponsorship.

Our program is completely free of cost. We make money for your organization by saving on the bills of your members, friends, and volunteers.

Our partner bill reduction company saved more than ten million dollars to people in the last few years and we would like to help you too.

When can we get on a quick call to discuss?

Warm Regards,

~ Wes Rogers
